Paul,

Can you provide me with a short, very short, synopsis of the issue here? Is this something Rick or I need to attend?

Thank you,

Patrice

Paul, you are already on the meeting invite...should have double checked it before the last email.

Please go with Lindsay. Not that she is not capable of handling the meeting herself and the action really is not in the Grants's shop, but since it's with Shaun, I'd like you to go. Thank you.
